

# Challenge 5781

*Mishlei* or Proverbs, authored by King Solomon, are words to live by.

They are sayings that many of us have heard over the years, without realizing that they come from the *Tanach*.

Every culture has their own set of Proverbs, based on shared backgrounds, and many of them have their basis in *Mishlei*.

For this year's challenge, explore the Jewish Book of Proverbs – There are 31 chapters of wisdom to discover something that “speaks” to you.

Once you've found something you like, feel free to interpret it any way you like.

The basic criteria are:

- use of some fabric
- use of at least one button
- the finished masterpiece should be a maximum of 20 x20 inches
- Challenge to be ready to share at **April 21<sup>st</sup> meeting**
